Connecting Rescues, Volunteers and Animals in Need

Rescue Aid for Animals is a volunteer database set up to help rescues

We have volunteers in England, Scotland, Ireland and Wales, but always need more so that more rescue's can receive help and more animals can be helped and re-homed.

Would you like to help? Whether you can foster, transport, home check, fundraise or just want to find out how you can become involved, we would love to welcome you into our friendly community of animal lovers.

Thank you
